

# LEGACY Scholarship Program

## LEGACY Scholarship Program Overview:

The LEGACY Scholarship Program was established to pay tribute to an outstanding individual or organization that exemplifies leadership through education excellence. The Florida Prepaid College Foundation has approved funding of \$100,000 for 2020 to be supplemented by an additional \$100,000 match from private funds to purchase scholarships.

**Timeframe:** Two annual “windows” of February and July will frame the submission cycle. The Board may approve submissions outside of the submission cycle in its sole discretion.

Interested donor organizations must develop a **LEGACY Scholarship Proposal** to include the following:

- **Background** - A complete description of the donor organization and/or individual nominated. One letter of recommendation should be included for the nomination citing the accomplishments and contributions made by the individual or organization.
- **Proposed Scholarship Description** - A thorough narrative of the scope, purpose, and public policy goal of the scholarship program.
- **Eligibility** – A description of the eligibility criteria to be utilized by the donor organization in the selection process, as well as the proposed number of scholarships to be matched and awarded. All scholarship recipients must be a Florida resident and within the K-12 grade levels.
- **Selection process** - The criteria that will be utilized by the donor organization in the selection process. Generally, the Foundation will consider one scholarship per organization per year.
- **Funding** - A funding request, detailing the type of scholarship to be awarded and the total amount of match funding requested.
- **Implementation Schedule** – Please document the proposed award process from scholarship purchase to student award.
- **Public Relations** - A description of the marketing and public relations efforts that will be used to promote the programs. All scholarships if appropriate should include Florida Prepaid College Foundation in the scholarship title.

The Florida Prepaid College Foundation staff will determine if a proposal satisfies the above requirements. Proposals that are approved for award will be presented at the next Board meeting.
