

First Generation Scholarship Program

Program Overview:

The objective of the First Generation Scholarship Program is to support the efforts of higher education through scholarship funding for first generation students who aspire to attend a Florida College (public community college) or Florida University. These scholarships are available at a 50% discount, funded ½ by the private sector and ½ by the Foundation's Challenge Match Scholarship Program.

The First Generation Scholarship Program utilizes Florida Prepaid College Plans as the sole vehicle to provide scholarships to qualified scholarship recipients.

Student Criteria:

1. Be a Florida high school senior accepted by a Florida University or Florida College and approved by institution to participate in their First Generation Scholarship Program. A student is considered "first generation" if neither of the student's parents earned a college degree at the baccalaureate level or higher. A student would also be eligible if he/she regularly resided with and received support from only one parent who did not earn a baccalaureate degree.
2. Be a resident of Florida for 12 consecutive months prior to assignment to a Foundation Prepaid scholarship, or a non-resident who is the child of a non-custodial parent who is a resident of this state. The qualified beneficiary must be either a United States citizen or a resident alien.

Donor Criteria:

1. Donors must complete the First Generation Application and certify that they are a Florida University, Florida College Direct Support Organization (DSO), or a 501(c)3 organization. Donor also must understand and accept the First Generation Scholarship Program Terms and Conditions, as provided, and the Florida Prepaid College Board Master Contract. Copies of all documents may be viewed here - [First Generation Challenge Match - Helpful Links](#)
2. Mail a check for 50% of the price of the contract plus a \$50 application fee.

How to Apply:

All Foundations at Florida Colleges and Universities may submit scholarship applications. The Florida Prepaid College Foundation reserves the right to approve the number of applications submitted contingent on available match funds. Please contact the Foundation Director if the number of scholarships you wish to submit exceeds three.
