NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The Florida Prepaid College Foundation, Inc. (the Foundation) was created in 1989 and administers the Stanley Tate Project STARS Scholarship Program (formerly the Florida Prepaid Tuition Scholarship Program) and other scholarship programs, on behalf of the Florida Prepaid College Board (the Board). The Board administers the Florida Prepaid College Plan and the Florida College Investment Plan. The Stanley Tate Project STARS Scholarship Program provides prepaid scholarships to economically disadvantaged, at-risk students. The Foundation is a direct-support organization of the Board and is authorized by section 1009.984 of the Florida Statutes and incorporated under the provisions of chapter 617 and approved by the Secretary of State.

Basis of Accounting

The accounts of the Foundation are maintained in accordance with the principles of not-for-profit accounting. Resources are reported for accounting purposes into separate classes of net assets based on the existence or absence of donor-imposed restrictions. In the accompanying financial statements, net assets that have similar characteristics have been combined into similar categories as follows:

Permanently Restricted

Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation would be classified as permanently restricted. Generally, the donors of these assets would permit the Foundation to use all or part of the investment return on these assets. As of June 30, 2011, the Foundation does not have net assets that are permanently restricted.

Temporarily Restricted

Net assets whose use by the Foundation is subject to donor-imposed stipulations that can be fulfilled by actions of the Foundation pursuant to those stipulations are classified as temporarily restricted. To account for amounts donated for specific purposes, the Foundation maintains temporarily restricted net assets as follows:

Scholarship Matching Program

Resources restricted for scholarships. Private donations are matched dollar for dollar by State of Florida appropriation.

Other Programs

Resources restricted for scholarships, but not matched by State of Florida appropriation because the donors have retained the right to establish their own criteria for selection of recipients.

Unrestricted

Net assets that are not subject to donor-imposed stipulations are classified as unrestricted. Unrestricted net assets include resources that are available for support of Foundation operations.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Accounting (Continued)

The Foundation receives donations from donor organizations with instructions to purchase Florida Prepaid College Plans for specified third-party beneficiaries. The Foundation has no discretion in determining the parties to be benefited and it must deliver the Florida Prepaid College Plans to the specified beneficiaries. Receipt of those donations is not a contribution to the Foundation, nor is the delivery of the Florida Prepaid College Plans an expense of the Foundation. The unexpended funds from the donors are classified as amounts due to beneficiaries. The Foundation also receives unsolicited, unrestricted donations from various sources, which it records as other support. These funds are used for general operating purposes.

Cash and Cash Equivalents

Cash and cash equivalents include certain investments in highly liquid instruments with original maturities of three months or less when purchased. The Foundation routinely invests its surplus operating funds in money market funds.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Foundation evaluates subsequent events through the date of the auditors' report.

NOTE 2 – CONCENTRATION OF CREDIT RISK

Custodial credit risk for deposits is the risk that in the event of a bank failure, the Foundation's deposits may not be returned to them. Cash deposits consisted of interest bearing demand accounts at one financial institution which is entirely insured by collateral pursuant to The Florida Security for Public Deposits Act (the Act). The Act establishes guidelines for qualification and participation by banks and savings associations, procedures for the administration of the collateral requirements and characteristics of eligible collateral. Under the Act, the Foundation's deposits in qualified public depositories are totally insured. The Foundation had \$4,582,965 on deposit with SunTrust Banks, Inc. as of June 30, 2011.

The Foundation also had \$4,236,685 on deposit with SunTrust Banks, Inc. in a short term money market fund that is not insured under the Act. The Foundation believes the credit risk related to these balances is minimal.

Balance, June 30, 2010	\$ 2,505,572
Donations	14,628,764
Payments on behalf of donors	(13,731,840)
<hr/>	
Balance, June 30, 2011	\$ 3,402,496
<hr/>	

NOTE 4 – RELATED-PARTY TRANSACTIONS

The Foundation purchases Florida Prepaid College Plans on behalf of selected scholarship recipients. Florida Prepaid College Plans at a cost of \$13,731,840 were purchased during the year ended June 30, 2011. In accordance with 1009.983(5), Florida Statutes, the chair of the Florida Prepaid College Board serves on the Board of Directors of the Foundation.

For the year ended June 30, 2011, the Florida Prepaid College Board provides certain administrative expenses to the Foundation. The value of these services cannot be reasonably estimated.

NOTE 5 – INCOME TAXES

The Foundation is a non-profit organization, exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes is shown in the accompanying financial statements.

The Foundation follows accounting requirements associated with uncertainty in income taxes using the provisions of Financial Accounting Standards Board (FASB) ASC 740, *Income Taxes*. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the positions will be sustained upon examination by the tax authorities. It also provides guidance for derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. As of June 30, 2011, the Foundation has no uncertain tax provisions that qualify for recognition or disclosure in the financial statements.

The federal income tax returns of the Foundation for 2008, 2009 are subject to examination by the Internal Revenue Service, generally for three years after they were filed. During fiscal 2011, management and legal counsel determined federal income tax returns were not required to be filed.
